

This week (09/03/20 – 13/03/20)

On Monday this week Year 1 and 2 enjoyed a Multi sports session at New College, Durham. The children in Years 3 and 4 also thoroughly enjoyed an interactive history lesson – we will be enhancing our curriculum across the school with this resource. On Tuesday our Year 5 and 6 children led our final Oases eco-brick assembly where the children shared the plastic pledges with us. On Thursday our Reception children have built a mini built bug hotel on our playground as part of our opal play. The school nurse also visited school yesterday to lead an Emotional Health and well-being session, for the older children, along with handwashing and teeth brushing for the younger children.

Well done to our Year 5 and 6 with 98% attendance this week! The weekly attendance figure for this week is 96.4%. This is slightly above the government expected standard of 96%. Thank you for your continued support.

Please note – we have a vacancy for a parent governor, if you are interested in this position please call into the school office for an informal discussion before Friday 20th March, thank you.
