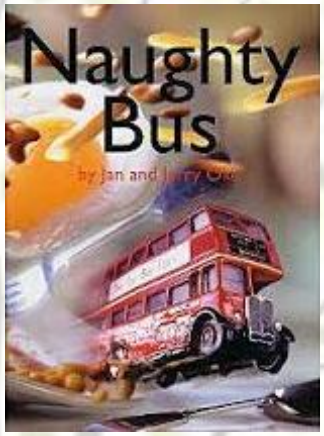
Spring 1st 2026	EYFS: Nursery

In Understanding the World, we will use materials to build, linking this to our topic of space.

We will also be exploring materials and their properties, talking about the differences between them and changes we notice.

When using different materials to build, we will be building things such as; space ships, space suits, stars etc.

In early literacy, we will be reading…



In mathematics, the children will be developing their counting skills and comparing amounts using words such as 'lots', 'more, or 'same'.

The children will also be learning to recognise the numbers 1-5 and to be able to describe familiar routes.

In PSHE inc. citizenship, we will be exploring the topic 'Dreams and Goals'.

In music, we will be listening to songs and rhymes; copying sounds, rhythms, tunes and tempo.

In Physical Development, we will be developing our large and small motor skills and showing a preference for a dominant hand.

In Phonics, we will follow the Twinkl Phonics program.

The children will develop their listening and communication skills through different aspects of sounds.

In Personal, Social and Emotional Development, we will be developing our friendships and learning to become more independent.

We will have circle times to talk and express our feelings, and we will model positive friendships.

In Expressive Arts and Design, we will be expressing our ideas and feelings through making marks and giving meaning to them.

We will explore different materials freely to help develop our ideas and how to use them.

In Communication and Language, we will develop our pretend play and have conversations to develop our vocal sound formation.

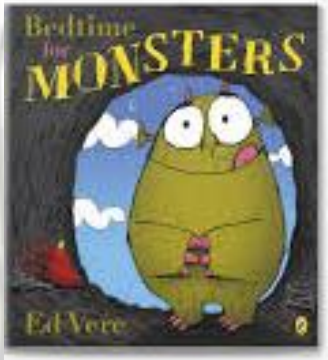
We will have different professions to explore in our small world set up to introduce more/ new vocabulary.

Spring 1st 2026	EYFS: Reception

In Communication and Language, we will be completing activities linking to people who help us.

We will be introducing new vocabulary relevant to our learning about people who help us. This will then be used in discussions and one-to-one conversations.

In literacy, we will be reading…



In mathematics, we will be learning about the numbers 10-15.

The children will be taking part in lots of counting activities and completing Mastering Number sessions.

In PSHE inc. citizenship, we will be exploring the topic 'Dreams and Goals'.

In music, we will be listening to songs, singing nursery rhymes and learning about body percussion.

In Physical Development, we will be developing our gross and fine motor skills.

We will also enjoy gymnastic sessions.

In Phonics, we will follow the Twinkl Phonics program.

Updates on the sounds we will be learning each week will be posted on Class Dojo.

In Expressive Arts and Designs, we will be creating paintings using lots of different inspiration and materials.

We will create finger paintings, collages and creating art as a group.

In Personal, Social and Emotional Development, we will be focusing on self-confidence and self-awareness.

We will learn about our goals and how we can achieve them.

In Understanding the World, we will be learning about the world around us.

We will explore nature, the different seasons and weathers.

Spring 1st 2026	Class 1: Year 1 and 2

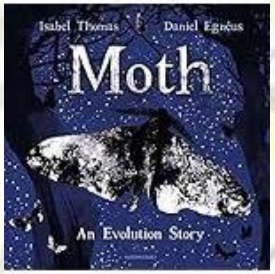
In computing,

Safety: How do we say goodbye to technology when we don't want to?

Year 1: This half term we will be programming a robot.

Year 2: This half term we will be exploring robot algorithms.

In literacy, we will be reading…



In science we will be learning about living things and their habitats.

We will explore life processes and how animals and plants survive.

In PSHE inc. citizenship, we will be exploring the topic 'Dreams and Goals'.

In RE, we will be learning about Buddhism.

In music, this half term we will be covering playing in an orchestra.

In PE, we will be learning developing our gymnastic skills.

The children will be exploring how to create sequences featuring different shapes.

In Maths,

Year 1 will cover addition and subtraction (within 20), place value (within 50) and length and height.

Year 2 will cover money, multiplication and division.

In Phonics, we will follow the Twinkl Phonics program.

In D.T., we will be exploring textiles.

In history, we will be learning about changes over time.

The children will be exploring toys from the past and present.

Spring 1st 2026	Class 2: Year 3 and 4

In computing,

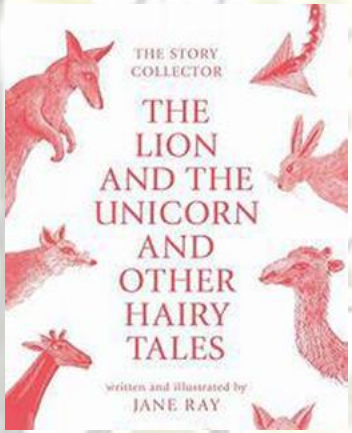
Year 3 Safety: What kinds of information should I keep to myself when I use the internet?

This half term we will be exploring the importance of sequencing in programming.

Year 4 Safety: What should you do when someone uses mean or hurtful language on the internet?

This half term we will be exploring how repetition and loops are used in programming.

In literacy, we will be reading…



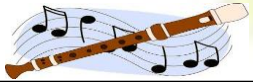
In science we will be learning about rocks and soils.

We will explore different soils and explain how they were formed.

In PSHE inc citizenship, we will be exploring the topic 'Dreams and Goals'

In RE, we will be learning what Churches can show us about Christian's beliefs.

In music, we are working with Durham Music service to develop our skills in playing the recorder.



In French our topics will be **food, animals, calendars, clothing & shopping.**

We will be listening, reading, speaking & writing.

In DT, we will be designing and creating castles by creating nets.

In PE, we will be developing our skills in gymnastics.

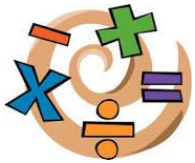
We will be working with Paul from LK fitness to develop and perform our own gymnastics sequences.

In history, we will be learning about the Romans.

We will be finding out why the Romans invaded and settled in Britain.

In Maths,

Year 3 will cover multiplication and division.



Year 4 will cover multiplication, division and fractions.

Spring 1st 2026	Class 3: Year 5 and 6

In computing,

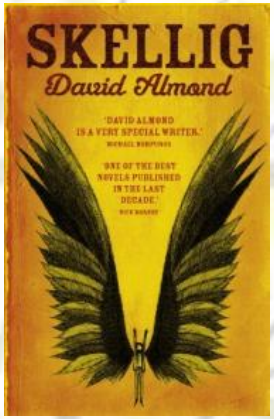
Year 5 Safety: How do gender stereotypes shape our experience online?

This half term we will be exploring how selection is used in programming.

Year 6 Safety: How do you keep online friendships safe?

This half term we will be exploring how variables are used to create a game.

In literacy, we will be reading…



In science we will be learning about the solar system.

We will explore and describe the movement and shapes of the celestial bodies in our solar system.

In PSHE inc citizenship, we will be exploring the topic 'Dreams and goals'

In RE, we will be learning what Christians believe about God.

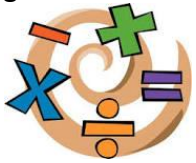
In music, we are working with Durham Music service to develop our skills in playing the clarinet.

In PE, we will be developing our skills in gymnastics.

We will be working with Paul from LK fitness to develop and perform our own gymnastics sequences.

In Maths,

In maths, year 5 will cover fractions, multiplication and division, decimals and percentages and time.



Year 6 will cover ratio, algebra, fractions, decimals and percentages.

In French our topics will be **food, animals, calendars, clothing & shopping.**

We will be listening, reading, speaking & writing.

In DT, we will be designing and evaluating our own gadget for an e-bike.

In history, we will be learning about the Tudors

We will be finding out what inventories tell us about life in Tudor times.
