School Newsletter: Friday 17th Feb 2023

In our classes this week…..

Nursery

This was our final week covering our Space Topic and the children have discussed what they have discovered and enjoyed the most! They have all now completed their Astronaut Training and received their Training Certificates!

We had lots of fun for Valentine's day, creating our own Valentine's day cards, painting hearts and lots of messy play with a pink and red theme.

We also changed our role play area into an Opticians and the children loved trying on lots of different glasses!

Class 1

In class one this week we have enjoyed using Now>Press>Play to consolidate our learning about animals and the stone age.

Reception children have been finding out about lighthouses and building their own using junk materials.

In year 1 and 2 children have been writing their own version of Pattan's pumpkin to share with their friends in reception.

We all enjoyed our Skipping session with the Skipping school on Tuesday.

Next half term our PE will remain on a Monday. Children will need to come into school wearing PE kit on this day.

Class 2

This was our final week covering our Space Topic and the children have discussed what they have discovered and enjoyed the most! They have all now completed their Astronaut Training and received their Training Certificates!

We had lots of fun for Valentine's day, creating our own Valentine's day cards, painting hearts and lots of messy play with a pink and red theme.
We also changed our role play area into an Opticians and the children loved trying on lots of different glasses!

Class 3

This week we enjoyed a skipping workshop on Tuesday. We did so well that we have been invited to take part in a skipping festival next term!

On Thursday we enjoyed our last swimming session. Everyone has made great progress – well done.

Week commencing 27th Feb

Monday – Y2 to Y6 – Dance After School Club*

Wednesday – KS2 – Multi-Sports After School Club*

Thursday – Whole School – World Book Day
Thursday – Class 2 – Swimming

*Please wear PE Kit

All pupils even those in KS2 with permission to walk home must be collected by an adult after all clubs until the clocks change

General

This week, in assembly, we have discussed the question 'What is the most important form of communication?' In our assembly we also looked at how researchers at the University of St Andrews in Scotland have just discovered that humans can understand other apes' common methods of sign language.
