School Newsletter: Friday 14th Jul 2023

In our classes this week…..

Nursery

The nursery children have had a very busy week! We all had an amazing time at the Blue Reef Aquarium where the children were able to get some hands-on opportunities touching the starfish and the sea snails! They loved seeing all of the different sea creatures and walking through the tunnel watching the fish and sharks swim around them. Their behaviour on the trip and on the coach was impeccable.

Then we had sports day, and the children were brilliant! All of the children joined in and tried their best and all cheered for each other and for the rest of the school.

The children are loving playing in the hairdressers and with the water outside. We have added paint to the water, so they mix different colours together. They have made waterfalls and a little nursery car wash!

Class 1

This week we have been practising playing our musical instruments ready for our performance next week.
We have continued reading our shared story Claude in the city and enjoyed using pastels to draw pictures related to the text.
We had a brilliant time on our sports day and everyone enjoyed competing in the races.

Class 2

Class 2 have had a very busy week. We have started to make our night lights and the children have been so creative with their designs. We have been learning about deforestation and the impact it has on the environment. We finished off the week with our sports day and the children all tried so hard.

Class 3

Class 3 have had a fun filled week. The children were wonderful during our Sports Day and we were impressed with their effort and determination.

On Friday, we enjoyed taking part in Virtual Brass, where the children played the songs, they have been learning alongside other schools in the county.

General

This week we have looked at the world-famous Wimbledon tennis tournament and discussed the question: Should you always want to win?

Week commencing 17th July
