In our classes this week…..

EYFS

The children have had an amazing last week!
Our graduation for the Nursery children going into Reception was lovely! They looked so grown up collecting their certificates and goody bags.
We all had lots of fun and treats on the bouncy castle and soft play bus.
Well done to all of the nursery children and we hope you have a wonderful six weeks off; we look forward to seeing you all again in September for both Nursery and Reception!

Class 1

This week we have been making packed lunch boxes and using these to carry our fruit outside.
On Wednesday we enjoyed playing a game of rounders with Shaun.
The children played their instruments beautifully during our music concert on Thursday and I was very impressed with everyone's concentration.

We have had an amazing year together and I hope you all have a brilliant summer!

Class 2

What a week we have had!
On Tuesday we had a sports workshop and played some football rounders. We completed our night lights and the children evaluated their product. We attended our Year 6 leavers assembly and played our ukuleles. Finally, **we had a visit from Captain Chemistry** where we made our own wind turbines and completed an experiment by altering the size and length of the blades to see which would spin the

Class 3

What a fantastic week! We have had a wonderful last week together as a class. We all enjoyed Danish Longball on Tuesday and the children demonstrated excellent teamwork.

The Year 6 children thoroughly enjoyed the bouncy castle, jungle bus and burger/nuggets and chips today and we wish them all the best as they move onto their new school.

General

In our final assembly of the school year we have looked at the artwork of Austrian artist Gustav Klimt. In particular his final portrait, the Lady with a Fan, which has become the most expensive artwork ever auctioned in Europe, selling for the final price of £85.3m. Our key question was 'What makes art valuable?'
