School Newsletter: Friday 16th Jun 2023

In our classes this week…..

Nursery

This week nursery have started their new topic which is all about Pirates!
The children love their pirate island role play area with boat, sand and treasure. They have made their own pirate pictures of themselves, big pirate boats for outside in the nursery garden and the children love our messy tuff tray with a pirate ship and pirates in.
As the weather was so nice, we moved a lot of our activities outside, the children loved having lots of coloured water outside this week too. P.E was outside and the children enjoyed running around. We will soon be practicing for sports day!
The children have also made amazing picture frames and cards for their special person this weekend!

Class 1

This week we have enjoyed developing our ball control skills in pe and working as a member of a team to play new sports games.
Reception children have been finding out about knights and looking at pictures from the past to describe them.
Year 1 and 2 have been comparing packaging from different packed lunch boxes and talking about what makes them effective.

Class 2

Class 2 started off the week learning about the different components of a circuit and built their own. We looked at a tropical climate in geography and the children analysed some graphs, using the information to answer questions about a tropical climate. We finished off the week playing rounders and developing our skills of fielding and batti

Class 3

Class 3, have enjoyed learning about complex circuits and creating their own parallel circuits this week.
We had a lovely P.E. lesson, where we began to secure the skills needed to play rounders.
This week has seen some high temperatures, please remember to send your child to school with a cap and apply sunscreen before school.

Note:

To help with the 'Leavers Fayre' on the 30th June we are requesting voluntary donations of Bric-a-brac, please hand any donations into the school office. Thank you as always for your support!

Week commencing 19th June

Wednesday – KS2 – Multi-Sports After School Club*

*Please wear PE Kit

General

This week in assembly we have looked at the story about 13-year-old Max Woosey - also known as the 'Boy in the Tent' - who has recently set a Guinness World Record for the most money raised by camping, after spending three years sleeping in tents. This then led to a discussion around '*What is the best way to show your support?*'
