School Newsletter: Friday 10th Mar 2023

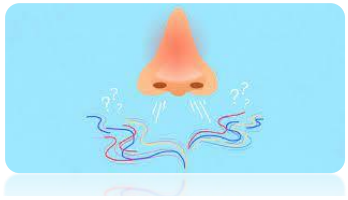
In our classes this week…..

Nursery

This week the children have enjoyed learning all about Farm animals and how to care for them. We had an amazing visit from the Veterinary Nurse and Receptionist from West Ways Veterinary Practice and the children loved it! They have left us lots of bandages and surgical gowns for the children to dress in!
In P.E we have practiced moving like different animals and have looked at the various habitats of animals around the world. We are currently creating a rabbit home in our nursery garden! The children have created lots of amazing animal pictures using pens, paint, collage materials and glitter!

Class 1

In class 1 this week we have enjoyed developing our cat themed dance in PE. Reception children had a brilliant time at Maiden Castle for their Bear Hunt multi-sport session while year1 were investigating their sense of smell. On Friday 17th March class 1 have a PE festival at Maiden Castle. The bus is leaving school at 9am sharp. Children need to be in class by 8.50 so we can complete dinner orders and the register before we go.



Class 2

In our geography lesson, we used lines of latitude and longitude on the world map to find different countries. Super impressed with the map skills!

We have started our computing unit all about editing pictures and can now rotate and crop different images.

On Friday, we enjoyed a Healthy Eating workshop delivered by Chartwells.

Class 3

Class 3 have continued to work hard this week. In English we have done lots of writing on our current text – Varmints. We have had fun in Science taking part in a litter pick and finding which items could be recycled. We enjoyed playing in the snow on Thursday, and also taking part in Chartwells food workshop.

Notes:

Red Nose Day - Children can come into school in nonuniform with a donation towards comic relief. Children in class 1 will need to wear their PE kit and a school jumper as normal for our PE event but can wear a different T-shirt.
