In our classes this week…..

Nursery

This week nursery has continued with the Habitat Topic and have created their own Bug Hotel in the garden. They all discussed thoughts and ideas and then designed their hotel, drawing the bugs they hope will live in our Nursery Bug Hotel.
We have made our own insect slime! Which the children loved, painted insects, played in the yellow swamp water and created insects using the different coloured playdough!

Class 1

This week we all enjoyed making a healthy fish salad and working together to safely cut the fresh vegetables that we used.
Reception children had a great time finding ways to keep grandma hidden from the wolf so she could get through the woods safely, they had some brilliant ideas!
Year 1 and 2 were playing games testing their close observation skills against a partner when exploring our sense of sight.

Class 2

The children are making excellent progress in their swimming lessons, impressing the swimming teacher each week!

We are really enjoying reading Pugs of the Frozen North and have learnt about the mythical creature of the Kraken this week.

In our DT lesson, we used different skills to make a healthy packed lunch including a sandwich and fruit salad.

Class 3

Class 3 have had a very busy week, working particularly hard in maths and English.

We have enjoyed designing alarms in DT, and testing these using electronic kits.

We have also continued with our 3D modelling in computing.

In PE, we have had fun creating our 'Circus Dance' and we hope to perform it for our friends next week.

Notes: Children need to bring 2 hard boiled eggs into school by next Thursday so that they can decorate these in class for our traditional decorated egg competition.
There will be an Easter raffle to help to raise money for year 6 leavers activities. Tickets will be £1 a strip and will go on sale on Monday. We will draw the raffle on Friday in our assembly.

General

In assembly this week we have looked at how The Guide Dogs for the Blind Association, has launched an appeal for volunteers to help raise and foster guide dogs as the Covid 19 pandemic caused a backlog of people waiting for partnerships. We then discussed 'How important are guide dogs for those in need?'
