In our classes this week…..

Nursery

Nursery had the best time dressing up for World Book Day and looked amazing!

They have all settled in well after half term and we have started our new Topic about Animals!
The children have loved learning about wild animals this week and have enjoyed planting their own flowers and over the next few weeks will water and care for their plants.

Class 1

The children have settled back into school brilliantly after half term and we have had another busy week.
We enjoyed completing a Zoom session with the illustrator of the story Dave the Pigeon on World Book Day and the children produced FANTASTIC artwork! All of the children enjoyed sharing stories with their friends from across the school.
In science year 1 and 2 have been finding out about our 5 senses and how these help us. We enjoyed finding Brazil on a map of the world and finding out interesting information about the country.
Reception children have been sharing the story Mr Wolfs pancakes and writing recounts of the half term holidays.

Class 2

We really enjoyed our first swimming lesson this week and are looking forward to continuing this over the half term.

In literacy we have started our new text Pugs of the Frozen North and have been learning all about Pugs.

The children had a brilliant time getting dressed up for World Book Day and reading with other children across the school.

Class 3

Class 3 have been working hard this week. We particularly enjoyed our computing lesson where we used a programme 'Tinkercad' for 3D modelling. We had fun dressing up on Thursday for world book day and we enjoyed reading with younger children across the school.
