School Newsletter: Friday 26th May 2023

In our classes this week…..

Nursery

This week nursery children have enjoyed their new story of the week Jetsam. All about a little boy who finds a camera at the beach. We have explored old and new cameras and have taken our own pictures!

We have painted Under the Sea pictures using stamps and have loved moving lots of our toys outside in the nice weather! The children planned and made a brilliant den in our nursery garden. They all worked together as a team, listening to each other's ideas and working together to build it. The children also decided on their den rules.

A massive thank you for your support with our fabulous Stay and Play session, the children have been so excited all week and have helped to get it already for their grown-ups!

Class 1

This week in class 1 we have had a great time using paints to create warm and cold coloured pictures.
We all enjoyed an assembly about Sweden delivered by our visiting students.
The children in year 2 had a brilliant time at swimming on Thursday- great effort everyone!
Next half term our PE will continue to be on a Wednesday.

Class 2

This week we finished our literacy lessons using similes to describe a monster. In art, we recreated a piece of Banksy work using our own styles. We enjoyed our transition activities of swimming and first aid and ended the week with our last lesson all about the coal mines.

St John Ambulance FIRST AID

Class 3

This week, we have enjoyed both the Come Dance with Me Festival and St John's First Aid training. The children all worked wonderfully with the professionals who visited us to deliver this expert training and were complemented on their excellent behaviour.

Next half term, we will continue to have our P.E. lessons on a Wednesday afternoon but will not be swimming.

I hope you all have a wonderful half term break.

Important: Please take extra care when driving outside the school, surrounding streets and back lanes. Please be mindful of children and residents and keep speeds low. Thank you.

Week commencing 6th June

Wednesday – KS2 – Multi-Sports After School Club*
Thursday – Class 2 – Swimming

*Please wear PE Kit

General

30 years ago, on 30th April 1993, Swiss science company CERN opened up the World Wide Web to the world, free-of-charge. This week in assembly we have explored the question 'Has being online changed things for the better?'

Individual Liberty

Having access to information is a right we all have. Using the World Wide Web can have many benefits but also risks. We can manage the risks and help to keep ourselves safe whilst using it.

We should all be able to access the World Wide Web, no matter what age we are. Sometimes there may be age restrictions in place but they are to help keep us safe.

Dates for your diary:

Friday 26th May 2023 – Break up for half term
Monday 5th Jun 2023 – INSET day (School Closed)
