School Newsletter: Friday 5th May 2023

In our classes this week…..

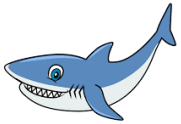
Nursery

This week we have loved our science experiment making worms dance, we saved the fish from the jelly using tweezers and made our own playdough shells. The children enjoyed our story of the week Sharing a Shell and this created lots of lovely conversations between the children.

We have made amazing crowns, flags and wands for the Kings Coronation and made our own coronation biscuits. The children loved our colour run and got covered in paint!

Class 1

On Friday we enjoyed a colour run to celebrate the coronation of King Charles III and making our own crowns to wear.
In computing we have been collecting and sorting data in year 1 while year 2 have been looking at different ways to present data.
In geography we have enjoyed learning about why the ocean is important.
Reception children have been reading and writing facts about sharks.



Class 2

The children have had a brilliant week. We have started our new maths topic; money and the children have written some brilliant descriptions to describe a setting using inspiration from various poems they have read. We finished off the week with a colour run.

Class 3

Class 3 have enjoyed working together this week. We have learnt about the Maya and their number system which we then compared to the system the Anglo-Saxons used.

Next week, is SATs week and we will be welcoming Miss Joyce-Gibbons into class (she will be working with us for the following six weeks).

Remember, Year 6, you've all worked incredibly hard; we're proud of you. You're going to 'smash it'.

Reminders

Next week our Year 6 children have a busy week with their end of Key Stage assessments. It is essential everyone arrives promptly to school after a good night's sleep, thank you.

Week commencing 9th May

Tuesday to Friday – Year 6 – SAT's Assessments
Wednesday – KS1 – Multi-Sports After School Club*
Thursday – Class 3 – Swimming

*Please wear PE Kit

General

The coronation of King Charles III will take place at Westminster Abbey on Saturday 6th May. In assembly this week we have discussed 'How do you choose to celebrate significant events?'
