In our classes this week…..

Nursery

This week in nursery we have shared the story 'Father Christmas'

We have enjoyed acting familiar scenes out in our small world play, in jigsaw we have talked about how we grow and change over time.

We have also been developing our counting skills when exploring our number of the week -4- through number games.

Class 1

In class 1 this week we have had fun learning about how Christingles are used during Advent. The children also enjoyed making their own Christingles to take home.

In DT, we have been using a wheel mechanism to change the image on a moving picture. The children created fantastic pieces of artwork.
We have been thinking about poems and year 1/2 children had the chance to create their own descriptive poetry about the dark. Reception children were learning some traditional rhymes.

We have started to rehearse our roles for the Christmas production on the stage. Some children will be bringing words home today and need to keep practising these at home please.

Class 2

We have had a fun and jam-packed week this week! We have been investigating the time chocolate takes to melt in science, writing SUPERB letters in literacy and we have started to make our money containers by sewing materials together.

We have also begun practising for our nativity. Please can all children practise their lines at home and be ready for any rehearsals in school.

Class 3

In literacy class 3 have planned and written a fantastic setting description about the Gobi Desert and included elements from their SPaG lessons into their writing.

In Geography we identified what natural resources the UK has.

Notes

As it is getting colder please ensure your child comes into school dressed appropriately for the weather.
