School Newsletter: Friday 21st Oct 2022

In our classes this week…..

Nursery

This week in nursery we have shared the stories of 'Boogie bear' and 'Room on the broom'.

We have enjoyed creating a range of different Halloween crafts in our creative area.

We have created friendship trees and discussed who our friends are in nursery and how to be a good friend.

We have also been learning about different emergency service vehicles and how they help us.

Class 1

We had a brilliant time at Durham City Gymnastics festival on Wednesday. We enjoyed making and taste testing our own pumpkin soup to match the Reception shared story Pumpkin Soup. In our science task, we designed and made an umbrella that would keep us dry outside. We enjoyed discussing the properties of different materials when choosing how we could make our umbrellas.

Class 2

In our science lesson we have learnt about the different animals that live in the deep sea and how they are adapted to live there.
We enjoyed our last PE session with the Health and Fitness coach and have really enjoyed working with him.
We have had lots more reading done at home which is great! Keep it up over the half term and remember to bring in your reading records with comments completed.

Class 3

This week, Class 3 enjoyed their last 'Walk and Talk' session. The children enjoyed learning about all the different coping strategies and are looking forward to sharing them with you when they bring them home.
We have enjoyed our first half term together as a class. The children have settled in well and we're pleased to see so many of the children accessing TTRockstars, Twinkl spellings and reading at home.

Note

Happy half term!

General:

This week we have been looking at the story around the Lindt and Lidl chocolate bunnies. All Lidl chocolate bunnies are to be melted following the Federal Supreme Court of Switzerland's ruling, agreeing that they are similar to Lindt's own bunny-shaped chocolate treat. This led to us asking 'If we do something wrong, who should decide the consequences?'
