In our classes this week…..

Nursery

This week in nursery we have been reading the story 'We're going on a bear hunt'.

We have enjoyed acting out the story using familiar lines in our small world play.

We have compared a bear's features to our own when creating bear faces from paper plates.

We have also enjoyed talking about where we live and who we live with, whilst looking at each other's family photos 😊

Class 1

This week we have enjoyed our dedicated 30 mins reading time every day and sharing our new class story. Well done to EVERYONE for remembering their reading bags all week! This is fantastic! Please remember that you can also write comments into children's reading records, it's lovely to read how they are doing at home.

We enjoyed working with Aiden from LK fitness in our first PE session on Monday.

In history, we have been learning about timelines and we have used a timeline to order events from our own lives.

Class 2

On Monday we had our first health and fitness session with the coach. I was very impressed with how everyone managed in their fitness test!

We also had our first ukulele session of the year with Mr Taylor and have been learning some songs that we will continue to practise.

In our art lesson this week, we all recreated a piece of artwork that was joined together to make one final piece

Class 3

This week, we have enjoyed learning about Monet and the impressionist movement in our art lesson. We discussed the resilience the artists of this movement had to demonstrate as the critics did not approve of their art.

We also continued to learn about the causes of World War Two, looking at how Adolf Hitler become Chancellor.

In maths, we have continued to perfect our understanding of place value up to a million (Year 5) and ten million (Year 6).

Rights Respecting

We are inviting the children (Year1-6) to consider if they would like to join our steering committee this year. We will be keeping Elena as our Year 6 representative to help guide our new members.
If your child would like to join us, they need to design a poster demonstrating their understanding of children's rights and why they would be a valued member of our committee.

Week commencing 20th Sep

Wednesday – KS1 – Multi-Sports After School Club*
Thursday – Class 3 – Swimming*

*Please wear PE Kit

General:

This week we have looked at Article 13 - the right to share what we learn, think and feel unless it harms other people. In assembly we explored the question What can we do if we feel something isn't fair?
We have also been delighted to welcome Invictus Games athlete Alex Dewar into school to share his story with our older children and launch our new resilience project 'Walk and Talk.'

We have the right to share what we learn, think and feel unless it harms other people.
