In our classes this week…..

Nursery

This week the children have enjoyed searching for treasure! We received a letter from Captain Gold asking to help him find his missing treasure. The children used different tools to explore in the sand to find his coins and match them to the correct numbers. They then searched the foam to find all of the hidden treasure and to get it back onto the boats!

We also had an amazing time participating in sports day! The children all tried their best and had lots of fun joining in!

Key Stage 1

This week, Class 1 impressed our coaches with their fantastic hand eye co-ordination.

In phonics, the children have worked well to secure their sounds and apply this to spelling words and sentences.

It was lovely to see you all at the sports day and all the children demonstrate great effort and enthusiasm. I'm looking forward to seeing you next week at our music concert.

Key Stage 2 – Lower

We have really enjoyed our computing lessons lately and are showing some excellent programming skills in both year 3 and 4!
In our PSHE lesson, we have been discussing how to stay safe in the sun, in the hope for some good weather in the summer holidays!
We had a super sports day on Thursday, the children had excellent attitudes and lots of fun!

Key stage 2 – Upper

This week in computing, year 5 have been writing programs to make a quiz while year 6 have been using the microbits to create a step counter.
On Wednesday, we had a brilliant morning working together to make chicken egg fried rice with stir fried vegetables.
We have been working hard to learn our song in preparation for the assembly/music concert next week- the children are excited to see you there!

General

This week our assembly focussed on loneliness in response to the 'Nanzone' set up by supermarket chain Asda. This is a fan zones for elderly people to enjoy the UEFA EURO 2024 football tournament. We covered the British Value of Individual Liberty and the Rights Respecting Article number 3 (Best interest of the child). The protected characteristic linked to this assembly was age.

Our Contemporary Music journey continued with the 1986 piece 'Short Ride in A Fast Machine' by John Adams where we were able to hear the beat all the way through piece.
