CASSOP WEEKLY FLYER

This week (15th July – 19th July 2024)

Rule of Law

Rules and laws are in place to protect children from harmful work. Adults are responsible for respecting and upholding these rules to keep us safe.

In our last whole school assembly of the year we looked at jobs and careers. Research company, YouGov, has surveyed young people about which jobs they'd like to have in the future, alongside Great Ormond Street Hospital. We looked at the survey results and talked about our own aspirations as well as our key question, "Are all jobs equal?"

With the right skills and interests, anyone can do any job, no matter who they are.

We linked this to Article 32: Protection from harmful work and the British Value of the Rule of Law. We also covered all the protected characteristics in our assembly.

On Wednesday we held our Year 6 Leavers Assembly, parents/carers and families were invited into school to celebrate with us. After this event, the children were treated to a lunchtime visit to "The Pub and Kitchen". Thank you for all of your support with fundraising for the Year 6 events, we are extremely appreciative of this.

Today we held our summer concert during which we held a surprise farewell for Mrs Jackson. After 25 years of working with us, Mrs Jackson is leaving Cassop School today so that she may go on to enjoy the next chapter of her life. We thank Mrs Jackson for all of her work over the years and wish her the best of luck as she moves forward.

We also would like to say a big goodbye and thank you to Mr Taylor who is also leaving Cassop. We thank Mr Taylor for all of his hardwork and dedication to Cassop School and would like to wish him all the best for his future.

We hope all our children and families have a very enjoyable summer holiday and we look forward to seeing everyone back in school on Thursday 5th September.We would also like to wish our Year 6 children good luck as they transition to secondary school.
