School Newsletter: Friday 18th Jul 2025

In our classes this week…..

Nursery

We've had an amazing year in nursery and what a great last week! The children have enjoyed sports day, spending time with their friends, and performing our song at the leaver's assembly.
A big good luck to our nursery graduates as they move up to reception class - you will all be amazing! I'm also looking forward to welcoming those returning to nursery in September!

I hope you all have a fantastic summer!

Key Stage 1

What a fantastic year we have had in Class 1! The children have worked incredibly hard and made some brilliant progress.

We wish the Year 2 children the very best as they move into KS2 and we look forward to hearing all about their new adventures at playtimes.

To support children to retain their phonics knowledge over the summer, we have glued their Rhino Readers logins into their reading records, which gives them access to a large digital library of books linking to our phonics scheme.

Key Stage 2 – Lower

The children have had a fantastic last week. They have enjoyed taking part in Sports Day (despite a couple of showers!) and they have enjoyed practising for and performing in the Leaver's Assembly. They all sang beautifully.

I would like to thank all of the children for their hard work this year. It has been a pleasure to teach each and every one of them since I joined the school in December. They have worked really hard and have made very good progress. I hope everyone has a lovely summer.

Key stage 2 – Upper

What a busy end to the school year!

Sports Day was a huge success, with fantastic spirit and determination shown by everyone! We held our Leavers' Assembly to say goodbye to our Year 6 students and wish them good luck in the future.

Children shared their creativity during the Anywhere Island Presentations, and used our science skills to evaluate a night light.

Wishing everyone a great summer! See you in September!

Week commencing 3rd September

Once we have confirmed with coaches we will let you know PE days on ClassDojo.

There are no After School Clubs or Swimming Lessons this week. Swimming will commence 11th Sep for years 5 and 6.

General

In our final whole school assembly of the year we looked at how stories can help us understand others.
The assembly focused on a Ukrainian mother who has written a story book inspired by her daughter's experience of starting a new school after moving to the UK. We discussed our favourite story book characters along with examples of books that have changed the world. Our assembly linked to the British Value of Mutual Respect and Tolerance and the protected characteristic of race; along with Article 2: No discrimination.

In our Music appreciation we watched and listened to the film music from Paddington Bear (one of our favourite story book characters).

Dates for your diary:

Friday 18th July 2025 – Break up for Summer break
Tuesday 2nd September 2025 – INSET day (School Closed)
Wednesday 3rd September 2025 – Return to school
