Burglar Bill needs to buy a machine to help him to make bread faster because his bakery is so busy!

Can you use junk materials to build this machine?
Can you explain how it would work?

Fine Motor Skills

Can you join, cut and decorate your story characters and use these to retell the story?

Knowledge and understanding of the world

Can you make a map to show the village that Burglar Bill was stealing things from?

It could be based on the village that your house is in- think about important features near where you live (trees, parks, roads)

Can you describe the route he took around the village (you could use your stick puppets to help with this)

Music

Listen to the song *Lovely Day by Bill Withers*

Discuss the questions;

- What is this song about?
- What can you hear?
- How does the music make you feel?
- Is this an old or new piece of music?

Why do you think this?
