

Week Commencing Monday 1<sup>st</sup> June Nursery

### Communication, language and literacy

Our book of the week would be 'Mister Seahorse'. If you don't have the book at home, then you can use YouTube to access the story. Have you ever seen a seahorse? Can you describe what a seahorse looks like? How do they move?

### Physical Development

Make an outdoor obstacle course.  
What can you find to climb over and under?  
What could you balance on?

### Fine/Gross Motor skills

Build a cave for Mister Seahorse to live in.  
Will you use Lego? Wooden blocks? Boxes?  
What kind of things would you put in a cave?

### Knowledge and understanding of the world

Make templates in sand or play dough.  
What under the sea animal prints can you make in the sand or playdough?  
Can you talk about the different patterns you have made?

### Maths

[www.topmarks.co.uk](http://www.topmarks.co.uk) has a great under the sea counting game which we use in nursery.

### Expressive arts and design

Create a seahorse picture using collage pieces and a paper plate.  
Can you find different textured materials to make your seahorse?  
How colourful can you make your seahorse?

### Music

Can you move like a seahorse? A fish? Or any other under the sea animal?  
Put your favourite song or rhyme on and move like your under the sea.  
Don't forget to sing along too.
