**Making a Cereal Box Marble Run**

Ever wondered what to do with those empty cereal boxes? Follow these simple instructions to make a cereal box marble run.

**You will need:**

- 2 cardboard cereal boxes
- glue
- sticky tape
- scissors
- marbles

**1.**

Start off with your empty cereal box. Tape the lid shut and then cut off the front panel (take care, scissors are sharp!). Make sure you leave a little ledge at the bottom. This will stop the marbles rolling out everywhere when they reach the end of the run.

**2.**

Then take the detached front panel and cut it into three strips. Bend them at the ends and cut a notch on one side for the marble to run through.

**3.**

Next, take a little extra cardboard from another cereal box and fold the end of it and tape it onto the bottom. The folded end makes the marble run tilt back a little bit so the marble goes down the holes and doesn't fall out of the box.

**4.**

Finally, tape the strips into the box and cut a little hole at the top to drop the marble through. Then go and find some marbles!

Can you describe the life cycle in a format like this? Use pictures to help you!

## Remember

-You have a research project to continue working on.

-You have key words to practise reading and spelling – you can make your own doodle spellings

-You have a list of online learning sites you can use

-Children were given their own login to use Education City

- You have Times Tables Rock Stars logins and there are certificates up for grabs!
