

Week Commencing Monday 4th May **Year 5 and 6**

PSHE
 Check the school Facebook page for **mindfulness challenges** for this week.

Mindfulness video to try at home
<https://www.jameshindcoaching.com/videos>

Check the school Facebook page for this week's **Rights Respecting School PowerPoint** to discuss at home.

DT
 Check the school Facebook page for **LEGO challenges** for this week.

Something different
 Scarecrow festivals: Have you seen a scarecrow on your daily walk?
© 30 Apr 2020 Last updated on 06/14

<https://www.bbc.co.uk/newsround/52472582>

Can you make a scarecrow with your family and put this in your garden for other people to see on their day walks?

You could share pictures on our school Facebook page.

PE
 Use the link below to try Zumba activities this week.
<https://family.gonoodle.com/channels/zumba-kids>

Then try this yoga activity to help you to Relax.
<https://www.youtube.com/watch?v=Td6zFtZPkJ4>

Music
 Listen to the song **Make you feel my love by Adele**

Discuss the questions;
 -What is this song about?
 -What can you hear?
 -How does the music make you feel?
Why do you think this?

Art
 This artwork was created by **Georges Seurat**

Discuss the artwork. What do you like and not like about this? What is happening?
 Can you use resources at home to create a replica of this picture?

Science – Water Resistance

Can you complete an experiment at home to find out the best design for a boat to reduce the amount of water resistance? Think about two different designs, which one works best?

Remember to consider how you will make this a **fair test**.

Streamlined Shapes

It is possible to reduce the effects of water and air resistance.

Objects that do not experience much water or air resistance are described as **streamlined**.

Boat Building

Your challenge today is to use what you have found out about **water resistance** and **streamlined shapes** to make a boat!

What do you think would be the best shape for your boat?

The **most streamlined** boat will create the **least water resistance**, and will move through the water the **fastest**.

Have fun making your boats, don't forget to send us pictures!

PSHE

Discuss the picture and key question below.

I'm sure you have all heard about the amazing Captain Tom Moore who has raised nearly £30million for the NHS by walking up and down his garden 100 times before his 100th birthday.

What he has achieved is amazing and he has been recognised by royalty, the government and famous people as being a hero. **Who is your hero? What are the qualities that make a hero?**

Remember

- You have a research project to continue working on.
- Our history learning project is now on the school website.
- You have key words to practise reading and spelling
- You have a list of online learning sites you can use. As well as <https://classroomsecrets.co.uk/free-home-learning-packs/>
- Children were given their own login to use Education City
- FirstNews** are offering a free digital download of each week's paper during the school closures. <https://subscribe.firstnews.co.uk/free-downloadable-issue>
