

Week Commencing Monday 1st June Year 1 and 2

DT New design challenges for this week. I look forward to seeing your creations.				
Design and make your own boat that will float on water. Day 1	Draw a butterfly with exotic colours. Day 2	Make your own puppet using a sock. Day 3	Design the best parachute to protect a boiled egg. Day 4	Make your own kite. Day 5

Music
Listen to the song Defying Gravity by Idina Menzel
<https://www.youtube.com/watch?v=MslDnwerQRA>
Discuss the questions;
-What is this song about?
-What can you hear?
-How does the music make you feel?
-Is this an old or new piece of music?
Why do you think this?

PSHE
Mindfulness challenge for this week.
Listen carefully with your eyes closed to any sounds you can hear. After one minute, open your eyes and write down everything you heard.

Check the school Facebook page for this week's **Rights Respecting School PowerPoint** to discuss at home.
You tube: Cosmic Kids Yoga

PE
Use the link below to access daily exercise sessions

Art
This half term our theme is animal art from around the world. We are beginning with **observational art from Great Britain.**

Something different

DRAGON'S NEST

AGE: 5 to 9
NUMBER OF PEOPLE: 2+
SPACE NEEDED: Living Room or Garden
EQUIPMENT NEEDED: Items to be the treasure: rolled up socks, toys, lego, etc

HOW TO PLAY:
Near a wall, 1 person is the 'Dragon', and they have lots of treasure at their feet (lego, toys, bean bags, socks, etc). Everyone else starts on the other side of the room and approaches the dragon to steal a piece of treasure.
When the dragon looks away, they can move forward. When the dragon looks back, they must freeze.
If the dragon sees them move, the dragon can send them back to start again.
The winner can become the dragon for a new round.

Challenge
Can you create an observational drawing of an animal you find in your garden?
You could use the live cameras for Edinburgh Zoo to observe different animals in your art this week.

Science

Our key question for this half term is ***What do I need to stay healthy?***

We are beginning our unit this week by thinking about foods that are healthy or unhealthy. Can you sort the food below? When you have talked about the pictures below, look in your fridge at home and think about how you would sort these foods.

You can check you are correct using the year 2 Education city game **food and glory**.

If something is unhealthy, it doesn't mean you can't have it anymore! You need some unhealthy foods in a balanced diet.

Remember

- Our history learning project is still on the school website
- Our new geography topic Around the World has also been added to the website.
- You have key words to practise reading and spelling
- You have a list of online learning sites you can use

As well as

<https://classroomsecrets.co.uk/free-home-learning-packs/> (this website is updated every week)

-Children were given their own login to use Education City
