

Week Commencing Monday 22nd June Nursery

**Communication, language and literacy**

Our book of the week is 'Ebb's new friend'. If you don't have the book at home, then you can use YouTube to access the story. What kind of boat would you make for you and your friends? Talk about sharing a boat with your friends and where you would go?

**Physical Development**

We would have been starting to practice for sports day so why not try and do some races outdoors.

**Personal, social and emotional development**

Create your own role play area for a beach/sea theme. What kind of things will you have in your area? Puppets? Books? Talk about sharing with your friends and what games you could play.

**Knowledge and understanding of the world**

Make your own boat using items in your home. A box maybe? Talk about how it would work in water, what items would you need for your boat?

**Expressive arts and design**

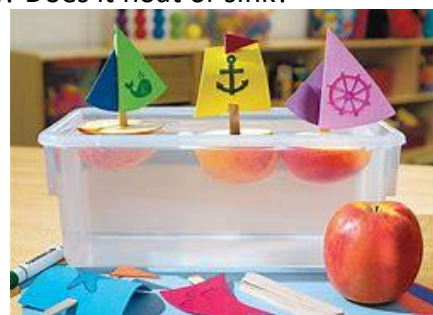

Create a beach picture using collage and drawings. What could you use for sand? How many shells would you have in your picture?

**Literacy**

Write a letter to your friends. You could invite them into your new boat like Ebb the duck did.

**Maths**

Create a boat using an apple. What kind of flag would you have? Does it float or sink?
