-What is this song about?

Art
This half term our theme is animal art from around the world. This week children will be making 3D artwork of a rainforest animal.

Can you design and make a 3d parrot?

Science

Our key question for this half term is ***What do I need to stay healthy?***

This week I would like children to think about harmful foods and medicines. Can children play Baby Jack on Education City?

Key questions to discuss:

- Do children understand whether an item belongs in the kitchen cupboard or in the medicine cabinet?

Where do these items belong?

A diagram for a classification activity. In the center is a medicine cabinet with a cartoon character (Baby Jack) standing next to it. Surrounding the cabinet are various items, each with a label and an arrow pointing towards the cabinet. The items are: crisps, vitamins, cough medicine, blood pressure tablets, needle, sweets, antiseptic cream, cookies, foot spray, and hard sweets.
