

Week Commencing Monday 29th June Nursery

Communication, language and literacy

Our book of the week is 'Kipper's sandcastle'. If you don't have the book at home, then you can use YouTube to access the story. What kind of sandcastle would you build? What shapes could you use?

Physical Development

Practice your throwing and catching using small bean bags or a ball.

Fine/gross motor skills

Let's get building. Build a sandcastle using different sized containers and buckets. Would you have a flag on top? Maybe you have shells or stones at home you could use.

Knowledge and understanding of the world

Kipper needed help when building his sandcastle. You could design a sandcastle for him. What materials would help him make his sandcastle stand?

Expressive arts and design

Use paint to do some colour mixing. What would happen if you painted each hand a different colour and then rubbed them together?

Music

What sounds can you make when building your sandcastle? Can you use a spade or spoon to create different sounds on a bucket or container?
