## Science

This half term we would have moved onto looking at **light**.

Watch this video about making shadows

<https://www.youtube.com/watch?v=YuUJCNzfoBw>

Can you help Isaac choose the best material for the new curtains in his baby sister's bedroom?

What materials are you testing? Draw or list them below.

Shine the torch on each material to see what sort of shadow it makes. Put each material in the correct column below.

Opaque Blocks all light and makes a dark shadow.	Translucent Lets some light through and makes a faint shadow.	Transparent Lets all the light through and does not make a shadow

Which material have you chosen for the new curtains? Draw the curtains on the window and label the material.

Write a message to Isaac to explain why you think he should use this material.

I chose \_\_\_\_\_ for the new curtains.

When I tested it, this material \_\_\_\_\_.

The shadow it made was \_\_\_\_\_.

I think it will be good for the new curtains because \_\_\_\_\_.

## Remember

- The history learning project is on the website
- There is a new geography project for this half term
- You have key words to practise reading and spelling – you can make your own doodle spellings
- You have a list of online learning sites you can use
- Children were given their own login to use Education City
- You have Times Tables Rock Stars logins and there are certificates up for grabs!
