

In our classes this week.....

Nursery

This week in Nursery we have been reading 'Whatever Next'. We have enjoyed learning all about space and we have discussed the different things we see in the night sky.

We had a fantastic time making rockets out of different shapes and we added them to our solar system in the role play area.

Class 1

This week we have enjoyed creating sculptures with spoons like the artist Jill Townsley.

We have developed our movements on, over and under equipment in PE.

We have also started a Lego master's competition in our construction area – great entries everyone!

Please wear PE kit on Monday & Friday this half term.

Class 2

This week in class 2, we have been reading and understanding food labels, learning what foods are nutritious and which ones we should eat in moderation.

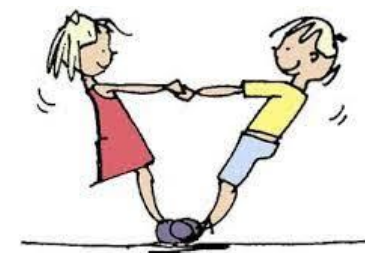

We have been learning to make some polite requests for food in our French lessons.

We have made excellent progress in our swimming lessons and are really impressing the swimming teacher!

Class 3

This week Class 3 have been busy testing the thermal conductivity and insulation of material.

We have also developed some fantastic counter balances in PE.

Reminders: As you will be aware we are experiencing an increase in covid numbers within the locality, if you have questions regarding positive PCRs, lateral flows or isolation periods please do not hesitate to contact school directly as the guidance is currently changing on regular basis.

Week commencing 24th January

Monday – Year 6 – SATs Revision After School Club
Wednesday – KS2 Multi-Sports After School Club
Thursday – Class 2 Swimming

Steering Committee

We are really looking forward to our next Steering Committee meeting. We will be discussing how we can celebrate the Queen's Platinum Jubilee later on this year.
