

In our classes this week.....

Nursery

This week in Nursery we have been reading 'Robot-Nobot'. We have talked about robots and made our own using duplo. Next week we are going to be making robots using junk. If you could send your child into nursery with a few empty boxes etc we would be very grateful.

We have been leaning a new rhyme 'Zoom, zoom, zoom, we're going to the moon'. Can your children remember the words?

Class 1

This week we have enjoyed learning about the Buddhist festival of Wesak and making our own lanterns.

We began our new shared reading text, Journey. This book is special because it doesn't have any words in it!

Our dance with specialist coach from AE coaching is developing brilliantly!

Class 2

This week in class 2 we have been practising our shooting skills in netball and are ready to play a mini game next week.

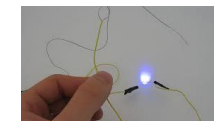

We have also created our own dragon and have written non-chronological reports about them.

In maths we have been learning about metres and centimetres and some of us have measures our own heights.

Class 3

This week we have continued to investigate materials and the children loved creating electrical circuits to test the conductivity of a variety of materials.

In history, we have been learning about the mummification process. We even mummified some of our friends in class, which was great fun.

As a special treat this week we had an archery lesson for P.E. and got to revise the skills we learnt in the autumn.

Reminders:

Friday 4th February - as part of our Platinum jubilee celebrations we are holding a wear red, white and blue day.

Week commencing 31st January

Monday – Year 6 – SATs Revision After School Club
Wednesday – KS2 Multi-Sports After School Club
Thursday – Class 2 Swimming
Thursday – KS2 Archery – Come in PE kit

Steering

Committee

This week, we met with the organisers of the Go Well project to discuss how we're finding the project and thank them for the equipment they donated to us to allow us to take part.
