

**In our classes this week.....**

**Nursery**

This week in Nursery we have been learning about emotions; happy, sad, angry, scared etc. The children have all enjoyed making playdough emotion faces. Ask your child what makes them happy/sad? Can they show you a happy/sad face?

We have also been doing Valentine's Day crafts.

**Class 1**

This week we have been learning about the importance of brushing our teeth.

We have enjoyed our focus story 'How to Trick the Tooth Fairy'

In our gymnastics session we have developed our confidence using the apparatus.

**Class 2**

For Safer Internet Day on Tuesday, we discussed respect and recognised respectful and disrespectful behaviour online.

We have continued to work on our PowerPoints during computing lessons, creating hyperlinks between slides.

We have been learning to name lots of the different bones in our body!

**Class 3**

This week, the children have learnt to 'write like an Egyptian' in history; creating a cartouche featuring their name in hieroglyphs.

In P.E., we have continued to perfect our gymnastic routines focusing on linking the different stages.

During our maths lessons, the children have shown great skill when working with fractions, decimals and percentages.

**Reminders:**

Along with this week's flyer is a PSHE guide for parents and carers.

**General:** In assembly this week we looked at the update to the Highway Code. We discussed the question 'Should everyone using our roads learn the Highway Code?' and linked it to Article 3 'Best interests of the child.'
