

In our classes this week.....

Nursery

This week in Nursery we have been learning about Chinese New Year and how it is celebrated. We have enjoyed making different chinese crafts, such as chinese lanterns, mosaic patterns and trying to copy chinese symbols.

Class 1

We have had a brilliant week learning about Chinese New Year!

We have enjoyed making our own fortune cookies, they were delicious!

We also made our own dragons to learn a dragon dance with Ellie and we have been continuing our shared story journey and writing our own predictions using a picture.

Please wear PE kit on Monday & Friday this half term.

Class 2

In class 2 we have enjoyed two extra PE sessions which have included invasion game and archery activities.

We decided to use our Now Press Play headphones to listen to some calming and inspiring music whilst writing about a fictional setting.

We have enjoyed dressing in red, white and blue and learning all about the Queen's Jubilee!

Class 3

This week we have been learning about the astonishing life of Tutankhamun and the mystery surrounding his death.

We had lots of fun during our Inter Sports School events and the children demonstrated great team work and resilience.

We have also continued to develop our coding skills during our computer lesson.

Reminders:

Please download the School Gateway App!

Article 14: This week in assembly we have been looking at article 14 (Freedom of thought and religion) as there will be different kinds of celebrations ahead of the Platinum Jubilee. We also linked this to the British Value of Mutual Respect because not everybody celebrates the same things and we respect that.

Article 14

The children have shown great leadership over the last week organising and running two separate fund-raising events. The book marks they have made are very popular and we have begun to receive some book donations for our 'lucky book' which will be taking place after half-term (please keep sending them in).
