

In our classes this week.....

Nursery

This week in Nursery we have been reading the story 'The Tiger who came to Tea'. Tiger visited Nursery and we have had a teaparty, with playfood and cakes. It was great fun!

We have created stripy pictures using ripped paper to create tiger stripes.

Class 1

We have had a brilliant week completing science experiments and predicting what would happen.

We started by filling a bag with water and testing to see how many pencils we could push through without the water coming out, then we used fire and icing sugar to make a sand monster.

Finally, we used salt, vinegar and water to begin making crystals.

Great work everyone!

Class 2

This week in Class 2:

We have been looking at balanced diets in Science and have been understanding which foods we need more or less of.

We have created persuasive adverts for a product you might find in your bathroom cupboard.

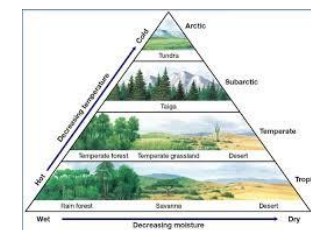

To celebrate British Science Week, we made our own slime and tested its stretchiness!

Class 3

This week we have enjoyed writing some persuasive advertisements in English.

In geography, we have learnt about biomes and climate zones, comparing the biomes of countries in the Americas to the UK.

To celebrate science week, we compared the life cycles of animals.

Notice:

Today we said our goodbye's to Mrs Holliday and we wish her good luck with next adventure!

Message from Taylor Shaw:

"School dinner Spring / Summer menu will not start until Tuesday 7th June, this is due to problems with supply of some items, we will continue with the current menu until then"

Week commencing 21st March

Wednesday – KS1 – After School Sports Club
Thursday – Class 2 Swimming

Steering Committee

This week the children have organised a tombola and name the teddy competition to raise money for Red Nose Day.

Thank you for supporting Red Nose day and the steering group's initiatives.
