

In our classes this week.....

Nursery

This week in Nursery we have enjoyed reading the book Sandcastle. We really liked talking about all the different sandcastles we have made in the past. We have loved playing in our small world Pirate Ship and pretending we are sailing the seas.

This week we have been enjoying the lovely weather and have completed lots of activities outdoors including our maths, music and P.E.

Class 1

We had a brilliant visit from the firefighters on Thursday to talk about keeping safe at home. The children enjoyed controlling the fire hose outside and taking a closer look at the fire engine.

In our PE session we had a great time working with Andy to develop our tennis skills.

In our RE work we have been learning how to be a good friend and how we can make new friends.

Class 2

This week in maths we have been interpreting data using different types of graphs.

We have been researching our favourite things during computing to create our own fact files and in literacy we used amazing adjectives to describe a storm.

Next week:

Wednesday - cricket skills session

Thursday- could children not attending Edinburgh bring their swimming kits

Class 3

This week, in English we have used research to create presentations, which the children then presented to the class. Their presentations were very informative.

Some of our children also took part in Durham Dash. We were amazed with your positive attitude and you were wonderful representatives for our school.

The children were very enthusiastic about our new computing unit. They all enjoyed exploring the lessons on Kodu and creating their own 'worlds'. We will continue to perfect our coding skills this half term resulting in the creation of our own computer games.

Thursday- could children not attending Edinburgh bring their swimming kits

Reminder:

Sports week for whole school next week, PE kits need to be worn all week - :
Plain White T-Shirt
Plain Dark Shorts
Trainers

Steering Committee:

This week we had a visit from Kathy to determine whether we would become a Gold school. She was very impressed with the children's hard work and we are hoping to hear back soon if we have been successful.

General:

This week in assembly we have asked the question, 'Does sport have a part to play in making the world a fairer place?' and we looked at a story around the FIFA World Cup which will have three female referees this November in Qatar.

Week commencing 20th June

All Week – All Classes – Sports Week – Various Activities Daily*
Mon – KS2 – After School Multi-Sports Club*
Thur – KS2 – Edinburgh Residential Trip
