

In our classes this week.....

Nursery

This week in Nursery we have enjoyed reading the book Teatime for Pirates. We have enjoyed lots of Pirate crafts including; eye patches, split pin pirates and pirate ships made of junk.

We have loved all the different activities during Sports Week and we particularly enjoyed the yoga and multi-skill activities.

Class 1

We have had a brilliant sports week trying out a range of different activities. The children did a brilliant job trying different yoga positions outside in the sunshine and enjoyed our hula hoop challenges.

We have been working hard ready to learn our songs for the little sing next week- some of these are very catchy! I hope the children have been singing them at home for you!

In geography year 1 and 2 have been learning about the artic and Antarctica. Reception have been talking about the beach and using sand to make pictures.

Class 2

This week we have had lots of fun with our sports week, including hula hoop games and yoga.

We have been researching cities and towns in our region to place on a north east map in Geography.

In Science, we looked at how we see light using different objects.

Some of the class have been on an exciting residential trip to Edinburgh.

Class 3

This week we have had a fun filled sports week. We loved taking part in all of the activities including yoga, hoop stars and street games.

We also had a special visitor on Tuesday as Miss Morris on from Hermitage came to teach us a one-off English lesson.

The children who took part in our Edinburgh trip had a fantastic time and were awestruck by the Lion King.

Reminder:

If your child is getting their ears pierced, please can this be done at the very start of the holidays to allow time for them to heal before we start school in September as we do not allow any jewellery (except watches) in school. thank you.

Week commencing 27th June

- Thur – KS1 – Mini Sing
- Thur – RSE Day
- Fri – All Classes – Fitness Day*

*Please wear PE Kit

General:

This week in assembly we have been looking at Article 8 - 'the right to our own identity' along with the British Value of Mutual Respect because not everyone is the same and their lives can be different. We explored the question ' How can we make sure that everyone is included?'

We all have the right to our own identity, which is an official record of who we are. Our name, nationality, beliefs and ethnicity all form part of our identity.

Mutual Respect

Not everyone is the same as me and their lives can be very different from mine. If we all try to understand one another, we can help to make sure we all feel included.
