

In our classes this week.....

Nursery

This week in Nursery we have read the story 10 Little Pirates. We also began to learn about different countries around the world and we had fun talking about our own family holidays.

The children enjoyed their transition day where they visited Reception for the day. They participated in lots of fun activities and got to know their new teacher.

Class 1

This week the children have been designing their own healthy dip that we will be making next week in DT.

Reception children had a brilliant time at Chester-Le-Street for an agility session that had a superhero theme while year 1/2 enjoyed a PE session with sports coaches Ellie and Aiden.

On Wednesday we were practising our songs with Mr Lindley ready for the music concert next week!

Class 2

To start our week, we had a transition afternoon where we worked with our new classes for next year. We are looking forward to getting back together in September!

On Tuesday this week, we all visited the Sage Gateshead for our Big Sing. We sang songs about the Earth and climate change with different schools from the North East.

On Wednesday, we enjoyed our final inter school sports festival with some games of dodgeball.

Class 3

This week we had a fantastic time at The Sage Gateshead as we took part in their Big Sing. The children were fantastic and sang their hearts out.

The Year 6 children have all completed their transitions this week and it's been wonderful to hear them all so enthusiastic about their experiences.

In maths, the children have been working hard to consolidate their understanding of shape, translations and reflections.

General:

This week, in assembly, we have looked at hobbies and asked the question, 'Is it important for everyone to have a hobby?' This links to Article 15: *setting up groups or joining groups* and our British Value of Individual Liberty as we all have a right to choose our hobbies. It was lovely to hear from the children all about their favourite hobbies.

Individual Liberty

We all have the right to choose our hobbies. Some of our hobbies may even have a positive impact on others and our world.

We can all set up or join groups or organisations such as Scouts and Girlguiding. We can meet with others as long as this does not harm other people.
